ARE YOU ARE LOOKING FOR AN ACTIVITY THAT GIVES BACK TO CHARITY AND MAKES A DIFFERENCE?

We have teamed up with o3e to offer challenges that are fun, interactive and will bring a smile to a charity you wish to support. Choose from building and designing skateboards, bikes, performance wheelchairs and fun play homes - all involve physical, technical, and art-based skills working as a team and then the finished items are gifted to your charity. Talk to us to tailor your event.

Prices are per person exclusive of VAT
